Analog and digital TV receivers for your PC or laptop!

H.264 digital HD video recorders

Record HD from game consoles or satellite and cable TV set top boxes. Create a High Definition video library on your PC with high performance H.264 hardware compression. Playback recordings onto your PC screen, Xbox 360 or PS3 or burn Blu-ray compatible DVD disks.

HD PVR

USB HD video recorder

- Record HD at up to 1080i
- A/V connectors: Component video, S-Video, composite, S/PDIF and stereo
- Component video pass through
- Includes IR Blaster

New!

Colossus

Internal PCIe HD recorder

- Record HD at up to 1080i
- PCIe full height board
- HDMI input (for recording from the Xbox 360 and video cameras)
- Passthrough A/V connectors: component video, S/PDIF and stereo
- Includes IR Blaster

USB Video Capture

USB-Live2

Live Video on your PC... plus Video Capture, Edit and Burn!

- Watch and capture live video from VCR video tapes, camcorders, video cameras and other analog video sources
- Burn your video tapes onto DVD disks
- Also compatible with Skype for videoconferencing

ATSC M/H receiver

New!

WinTV-Aero-m

Watch the new mobile TV broadcasts on your laptop or netbook

- Complete ATSC M/H mobile TV receiver in a small, portable USB "stick"
- Includes an ATSC HD receiver too
- Includes built-in telescoping antenna

MediaMVP-HD

MediaMVP-HD

- Play digital content on your HD TV
- Watch your WinTV or HD PVR video recordings on your HD TV, at up to 1080p resolution!
- Play digital videos, pictures and music from your PC to your HD TV
- Includes remote control

Internal HDTV TV tuners for your PC

All internal WinTV-HVR boards support analog cable TV, high definition ATSC "over-the-air" digital TV and Clear QAM digital cable TV. For Windows Media Center, WinTV v7 or other TV applications.

WinTV-HVR-1150

Single tuner NTSC/ATSC and Clear QAM

- Includes Hauppauge's SoftPVR and SoftMCE
- Plugs into any PCI slot
- Includes remote control

WinTV-HVR-1250

Single tuner NTSC/ATSC and Clear QAM

- Includes Hauppauge's SoftPVR and SoftMCE
- Half height PCI Express board, for half height and full height PCs
- Includes remote control

WinTV-HVR-1600

Dual tuners: one for analog cable TV and one for ATSC/QAM digital TV.

- On-board high performance MPEG-2 encoder for analog cable TV recordings
- Single slot PCI board
- Includes remote control with IR Blaster to control the channels on a set top box

WinTV-HVR-1850

Dual tuners: one for analog cable TV and one for ATSC/QAM digital TV. FM radio, too.

- On-board high performance MPEG-2 encoder for analog cable TV recordings
- Single slot PCI Express board
- Includes Windows Media Center remote control

WinTV-HVR-2250

Watch and record two TV programs at the same time: NTSC, ATSC or QAM.

- Dual tuners, each for NTSC/ATSC and Clear QAM. FM radio, too
- Includes two on-board hardware MPEG-2 encoders for analog cable TV recordings
- Single slot, half height, PCI Express, with full and half height brackets
- Includes remote control

External HDTV TV tuners for your laptop or desktop PC

The external WinTV-HVR's are designed to plug into USB ports on laptop or desktop PCs.

WinTV-HVR-950Q

- Watch ATSC, NTSC and Clear QAM digital cable TV on your netbook, notebook or desktop PC
- Record your favorite analog and digital TV shows to your computer
- Plug into USB port – no installation required
- Includes credit card size remote control and A/V adapter cable

WinTV-HVR-850

- Watch over-the air ATSC HDTV or analog cable TV on your netbook, notebook or desktop PC
- Record your favorite analog and digital TV shows to your computer
- Plug into USB port – no installation required
